

Let Love Shine Through for People In Need This Winter

Please Help by Donating

Christmas Care Baskets

Volunteers of America Oklahoma serves over 2,500 individuals throughout the year with various needs. Some clients need household items as they move into an empty apartment after chronic homelessness. Some individuals, challenged by mental illness and homelessness, arrive at the Volunteers of America Oklahoma offices with immediate needs for food and hygiene items. As the winter months begin, the demand for gloves, hats and scarves is a necessity as well, for people living in a cold environment.

We invite you to partner with us to meet these needs. Pack a box, fill a grocery sack or a laundry hamper with the suggested items below. **Please return your basket(s) by Tuesday, December 11, 2018.**

Recruit co-workers, your family or friends to let your love shine through for Oklahoma's most vulnerable. Thank you for your support!
